

# Memo

March 20 , 2020

In an effort to protect our patients and staff from the current COVID – 19 (Coronavirus) outbreak, we have adjusted our office hours to see a limited number of exams and ALL emergent patients.

Our temporary office hours are:

Monday – Friday: 10 AM – 2PM

If you have an emergency, please call (706) 896-3303 or (706) 781-7525 or dial 911.

All contact lens pickups, glasses pickups, and adjustments will only be available during the above stated hours. If you answer yes to any of the following questions, we ask that you please reschedule your appointment for a minimum of 3 days out;

- Have you experienced a fever within the last 72 hours?
- Have you travelled out of the country or directly exposed to someone who has?
- Have you tested positive for COVID – 19 (coronavirus) or been directly exposed to someone who has?

As always, we appreciate your support during these difficult times. We are praying for all of those who are being affected by the pandemic.

Sincerely,

Dr. Joey Arencibia & Staff
